Dear Educator,

**Composers' Monthly**, the Newsletter for Student Musicians, is pleased to offer seven Sets of composers for your classroom use. Please examine and use the enclosed trial issue from Set I (see Set descriptions below) on Franz Joseph Haydn. Make as many copies as you need for your students. Then, send in your order! Each of eight monthly issues of **Composers' Monthly** features a different composer of music, including pertinent and appealing information in the same easy-to-follow two-sided format as the enclosed trial issue.

In **Composers' Monthly**, your students will see a picture of the composer and will read "A Letter From the Composer." Other features include "Ask the Composer," "How Well Did You Read?" and "A Musical Wordgame" integrated with Newsletter content. The available Sets are:

- Set I: Haydn, Mozart, Beethoven, Schubert, Chopin, Brahms, Dvorak and Vivaldi
- Set II: Bach, Handel, Wagner, Verdi, Moussorgsky, Tchaikovsky, Rimsky-Korsakov and Debussy
- Set III: Foster, Sousa, MacDowell, Ives, Hanson, Gershwin, Copland and Barber
- Set IV: Monteverdi, Clara Schumann, Mahler, Stravinsky, Bartok, Villa-Lobos, Prokofiev and Schoenberg
- Set V: Gilbert & Sullivan, Jerome Kern, Irving Berlin, Cole Porter, Rodgers & Hammerstein, Kurt Weill, Lerner & Loewe, and Leonard Bernstein
- Set VI: Smetana, Saint-Saëns, Grieg, Sibelius, Rachmaninoff, Falla, Kodaly and Britten
- Set VII: Joplin, Jelly Roll Morton, Ellington, Fats Waller, Mary Lou Williams, Monk, Thad Jones and Coltrane

You may order any combination of Sets I, II, III, IV, V, VI and VII – order more than one for a reduced rate! *All Sets of Composers' Monthly* and its companion publication, **Activity Pages!** (ordered separately) are available **NOW**.

If you decide to order, and I hope you do, here is how **Composers' Monthly** works: **one master copy** of each issue (an entire Set in one package) will be shipped to you. Each purchase grants duplication rights to **one and only one** teacher to make up to **200** copies per regular school year of each **master copy**, **ONLY for the use of the purchasing teacher and his/her students**. Please do not make extra copies for someone else's students, or for any use other than classroom work. The **master copies** will be shipped flat. **Please note that renewal is not required** for the purchasing teacher's use of **Composers' Monthly** in future years.

We would be pleased to send you information on our other publications: **Composers' Monthly Activity Pages!**, **Artists' Monthly**, and **Artists' Monthly Activity Pages!**

Thank you for your consideration. Your comments are welcome.
